ABOUT ST. HOPE

The Annual Dinner is St. HOPE's only fundraising event of the year and accounts for a significant portion of its operating budget. Thanks to sponsors, staff and friends, as well as an all-star list of keynote speakers, which have included LeBron James, Charles Barkley, Julius Erving, Magic Johnson, Shaquille O'Neal, Sinbad, John Wooden, Chris Webber, Bill Walton, Jason Kidd and Michael Jordan among others, the Dinner has sold out every year attracting more than 1,000 guests.

PUBLIC EDUCATION HIGHLIGHTS: In 2003, St. HOPE Public Schools was established as a pre K-12 independent charter school system that now serves more than 1,200 students in its four schools. Each high-performing school has significantly closed the achievement gap between socio-economically underserved students from inner-city communities and their more affluent counterparts.

ECONOMIC DEVELOPMENT HIGHLIGHTS: Throughout the years, St. HOPE has greatly contributed to the development and economic growth of the Oak Park community. Its catalyst project, the 40 Acres Art Gallery and Cultural Center, features the Guild Theater, Underground Books, Old Soul Coffee House, Bastille Barbers and the Upper Rooms loft apartments. The Development Company is currently working on several new projects including the opening of Lolo's Chicken and Waffles restaurant in 2019.
