

Sacramento Charter High School

Vision

To create one of the finest urban high schools in America.

Mission

To promote self-motivated, industrious and critically-thinking leaders who are passionate about life long learning, committed to serving others, and prepared to graduate from a four-year college.

History

Established in 1856, Sac High is the second oldest high school west of the Mississippi River and one with a rich, storied history. In 2006, Sac High celebrated its 150th anniversary, a historic event made more significant by the recent changes that had taken place on campus.

Years of low student achievement, high dropout rates, and small percentages of students enrolling in 4-year colleges and universities led to the complete shut down of the school at the end of the 2002-2003 school year. Through massive communitywide organization efforts that summer, the school reopened in September 2003 as a public charter school under the leadership of St. HOPE Public Schools. St. HOPE completely overhauled the curriculum and culture.

Sac High’s college-going culture is designed to give all students the opportunity to be accepted to, attend, and graduate from college. Sac High is divided into four small learning communities (**Law & Public Service**, **Math, Engineering & Health Sciences**, **School of the Arts**, **Business & Communications**) each adhering to the same college-focused principles. The small learning communities afford students the opportunity to pursue individual career interests through specialized internships and classes.

Partnerships

Each small learning community at Sac High has forged partnerships with local organizations and corporations. Examples include a mentor program linking Business and Communications students with Wells Fargo employees and UC Davis.

Students can also enroll in vocational internships and classes like Computer Graphics and Visual Communications through the Sacramento County Regional Occupational Program (ROP). These courses will be listed under the heading "Sacramento County Office of Education" on the transcript.

The School

School Schedule

The 2016-2017 school year runs from August 10, 2016 to June 8, 2017 and is broken into 2 terms: August 10 - December 21 and January 11 - June 8.

Students take five academic courses (75 minutes per class) plus one advisory class (30 minutes) per term. Each term is equal to one year's worth of credit at a standard high school due to Sac High's block system.

Many seniors will not finalize their second term class schedules until January 2017.

Clubs

Students at Sac High have the option to join a variety of clubs including MECHA, Key Club, and many more.

Students are encouraged to organize and lead teams of students in forming clubs as their interests diversify. Participation in clubs is contingent upon having a 2.0 GPA in current classes.

Athletics

Sac High is a member of the California Interscholastic Federation (CIF) Sac-Joaquin Section and Metropolitan Conference. Participation in athletics is contingent upon having a 2.0 GPA in current classes.

The Academic Program

Graduation Requirements

The program of study is designed to fulfill all state requirements for accreditation. All students from the class of 2009 onward must complete the “A-G” course requirements for admission into the University of California and California State University systems to graduate.

Graduates are required to earn a minimum of 260 credits, 10 for each term class passed with a C or better. Prior to the 2006-07 school year, however, students, were allowed to pass with a D- or better (see below — Grading System).

Required Credits:

- 30 credits of History/Social Science
- 40 credits of English
- 30 credits of Math, including one Algebra course
- 20 credits of Lab Science, including one Life Science and one Physical Science
- 20 credits of Foreign Language
- 10 credits of Visual and Performing Arts
- 10 credits of a College Prep Elective
- 20 credits of Physical Education
- 20 credits of Advisory [homeroom]
- 60 credits of Electives

Grading System

Current (2006-2007 school year onward)

A+	100-99	4.0 grade points
A	99-95	4.0 grade points
A-	94-90	3.7 grade points
B+	89-87	3.3 grade points
B	86-84	3.0 grade points
B-	83-80	2.7 grade points
C+	79-77	2.3 grade points
C	76-74	2.0 grade points
C-	73-70	1.7 grade points
No Credit (NCR)	Below 70	no grade points

Grade Weights

AP classes receive an extra grade point for grades of A (+/-), B (+/-), and C (+/-) on the weighted GPA only. Sac High has offered one honors course, Honors Chemistry, as a prerequisite for AP Chemistry (when offered). Honors courses taken at other high schools will be weighted according to the AP scale.

Reading Transcripts

Students will have courses listed under Term 1 (fall) or Term 2 (spring). Students who transfer in from other schools using a semester calendar will have courses listed under Sem 1 (fall) or Sem 2 (spring). Courses taken at a community college will be listed under a separate heading. The credit summary on the right hand side of the transcript does not necessarily reflect the correct amount of credits students have earned in each category.
