

**SACRAMENTO CHARTER HIGH SCHOOL LOTTERY AND ENROLLMENT POLICY
FOR THE 2017-2018 ACADEMIC YEAR**

GENERAL INFORMATION

As a charter school serving grades 9-12, Sacramento Charter High School (SCHS or Sac High) provides all eligible students residing in the state of California the opportunity to apply to a school other than their school of residence. Enrollment at Sac High is determined by an admissions drawing (lottery) and students are admitted as space is available. All students must complete the enrollment process prior to attending. Sac High does not charge tuition nor does it discriminate on the basis of race, color, religion, age, gender, sexual orientation, citizenship, disability, national or ethnic origin, or achievement levels in administration of its admissions policies or education programs.

ADMISSIONS DRAWING (LOTTERY)

Should the number of students who apply to attend Sac High during the open enrollment window exceed the capacity of a particular grade, a public random drawing (“lottery”) will take place to determine admission to Sac High per Education Code Section 47605(d)(2)(B). During the open enrollment window, **all** new students are required to submit a lottery application to attend Sacramento Charter High School, regardless of their current or previous school of attendance. Existing Sac High students will be exempt from the public random drawing and will be guaranteed admission for the following year, as long as they do not dis-enroll, and as long as they attend school within the first three days of the 2017-2018 school year, or have an excused absence communicated ahead of time with SCHS for the first three days or more of the 2017-2018 school year.

LOTTERY APPLICATIONS

Lottery applications are available online (sthope.schoolmint.net) and in paper format, as needed, beginning **Tuesday, November 1st, 2016**, which is the first day of the open enrollment window. Lottery Applications must be completed by **Friday, March 17, 2017**, which is the last day of the open enrollment period. Lottery applications must be completed by the family in full by 11:59 P.M. on the last day of open enrollment to be considered for selection in the lottery. SUBMISSION OF A LOTTERY APPLICATION DOES NOT GUARANTEE ENROLLMENT.

LOTTERY PRIORITIES*

In the event that the number of students applying during the open enrollment window to attend Sac High exceeds capacity in the respective grade level, admissions lottery priorities will be given in the following order:

1. Siblings (defined as sharing at least one biological, foster, or adoptive parent) of currently enrolled or admitted Sac High student(s).
2. Children of St. HOPE Public Schools (SHPS) employee(s) and SHPS board member(s) (this preference is limited to 10% of the total school enrollment).
3. Students placed on the active Sacramento Charter High School wait-list for the 2016-2017 school year, as well as Students placed on the St. HOPE Public School 7 or Oak Park Preparatory Academy 8th Grade wait-list for the 2016-2017 school year (applies to incoming 9th graders only).
4. Students currently enrolled in the 8th Grade at St. HOPE Public School 7 or Oak Park Preparatory Academy.

5. Students who reside within the boundaries of the Sacramento City Unified School District (“in-district students”) are granted a 3-to-1 weight factor in the lottery to differentiate them from students residing outside of Sacramento City Unified School District (“out-of-district students”).
6. All other students residing within the State of California.

Students previously enrolled at Sacramento Charter High School will **not** be awarded special circumstance or priority within the lottery.

All priorities are subject to verification and proof may be requested to further validate a priority.

LOTTERY RESULTS AND ENROLLMENT

The official 2017-2018 St. HOPE Public Schools Lottery will be held on **Thursday, March 24, 2017 at 6:00 p.m. at Sac High**. Attendance at the Lottery is not required but is strongly advised. Families will be notified of their status on **Friday, March 25, 2017**.

Students will be admitted according to their numerical ranking as selected in the lottery until capacity is reached in ascending grade level order, beginning with Ninth Grade. Offers of admission are submitted to families via the contact information provided on the application. Thus, it is critical that families supply the SHPS Admissions Office with the most current contact information. **Lottery applications found to have falsified information on them for the purpose of gaining an advantage in the lottery will result in the withdrawal of the offer of admission.**

Once families are offered admission following the lottery, they have until **Sunday, April 30, 2017 at 11:59 p.m.** to complete the registration process. To complete the enrollment process, applicants need to login to their Schoolmint account, complete the official Sacramento Charter High School registration, and submit all required documents as requested. **All students and families are required to complete the official 2017-2018 Sacramento Charter High School registration and submit all required documentation regardless of present or previous school of attendance. The offer of admission will be rescinded if the family fails to complete the enrollment process by the deadline.**

Those applicants not admitted in the lottery will be placed at the end of the wait list based on their numerical ranking. Students will be admitted to Sac High from the wait list based on their numerical ranking and will only be admitted as space becomes available.

ENROLLMENT BEGINNING MARCH 18, 2017

Students who apply to Sac High after the open enrollment period ends and through June 30th, 2017, will be placed at the end of the wait-list in the order by which their completed post lottery application is received. The only admissions’ priorities that will be considered for students who apply on or after March 18th and through June 30th are for siblings, as defined earlier in this policy, and for children of St. HOPE Public Schools employee(s) and SHPS board member(s), subject to the same limitations identified in the listing of admissions preferences. To be placed on the wait-list, families must submit an application, which is available online at sthope.schoolmint.net. **Students previously enrolled at Sac High will not be awarded priority regarding placement on the wait list or immediate enrollment.**

ENROLLMENT BEGINNING JULY 1, 2017 THROUGH THE FRIDAY PRIOR TO THE FIRST DAY OF SCHOOL IN 2017-18.

If you have any questions regarding the information written in this policy, contact the St. HOPE Public Schools Admissions Office at (916) 649-7910 or admissions@sthopepublicschools.org.

Students who apply to Sac High after June 30th, 2017, will be placed at the end of the wait-list in the order by which their completed post lottery application is received and all of the required documentation is submitted to the SHPS Admissions Office. The only admissions' priority that will be considered for students who apply on or after July 1st, 2017 is for children of St. HOPE Public Schools employee(s) and SHPS board member(s), subject to the same limitations identified in the listing of admissions preferences.

ATTENDANCE AND DISENROLLMENT BEGINNING THE FIRST DAY OF SCHOOL

All students, new and returning, who enroll in another school or who do not show up to school within the first three days of the 2017-2018 school year, without an excused absence and prior communication with Sac High, will be automatically dis-enrolled from Sac High. Any student who dis-enrolls or is dis-enrolled from Sac High will have to re-apply and will receive the same consideration as any other new student.

WAIT LIST

The waitlist will be kept on file in the SHPS Admissions Office and will be valid for the duration of the school year. If a seat becomes available during the school year, that seat will be offered to the next student on the wait list. The last day to be added to the wait list for the 2017-2018 school year is **Tuesday, October 31, 2017 and students must have their application complete by 11:59 p.m. on this day.**

Students placed on the wait list at the lottery placement will be eligible for the sibling priority. As siblings receive enrollment opportunities, remaining siblings will receive the priority, as stated in the priorities section of this policy, contingent the sibling's application remains active.

Families of students admitted from the wait list will have **4** full business days following the offer of enrollment to complete the enrollment process. Applicants will be moved to the end of the wait list if the family fails to complete the enrollment process by the end of the **4** business days following the offer of enrollment.

St. HOPE Public Schools is not required to open the enrollment process for any particular grade level or any particular term during the year. If an enrollment opportunity becomes available, students are admitted according to their numerical ranking on the wait list.

REQUIRED DOCUMENTATION TO COMPLETE ENROLLMENT

1. Student demographic information
2. Proof of grade (and age) appropriate immunizations
3. Home Language Survey
4. Completion of Emergency Medical Information Form
5. Proof of minimum age requirements, e.g. birth certificate
6. Release of records

*Please note that the lottery priorities listed are in draft form and will be finalized by January 2nd, 2017. This is due to the fact that Sac High is in a charter renewal year.
