ABOUT **ST HOPE**

The Annual Dinner is St. HOPE's only fundraising event of the year and accounts for a significant portion of its operating budget. Thanks to sponsors, staff and friends, as well as an all-star list of keynote speakers, which have included LeBron James, Charles Barkley, Julius Erving, Magic Johnson, Shaquille O'Neal, Sinbad, John Wooden, Chris Webber, Bill Walton, Jason Kidd and Michael Jordan, the Dinner has sold out every year attracting an average of more than 1,000 guests.

PUBLIC EDUCATION HIGHLIGHTS: In 2003, St. HOPE Public Schools was established as a pre K-12 independent charter school system that now serves more than 1,600 students in its five schools. Each high-performing school has all but closed the achievement gap between socio-economically underserved students from inner-city communities and their more affluent counterparts.

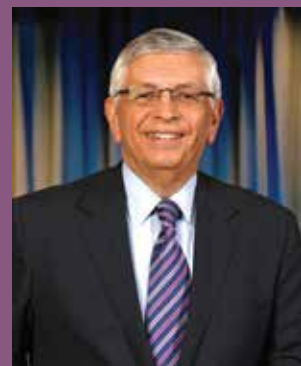

ECONOMIC DEVELOPMENT HIGHLIGHTS: Throughout the years, St. HOPE has greatly contributed to the development and economic growth of the Oak Park community. Its catalyst project, the 40 Acres Art Gallery and Cultural Center, features the Guild Theater, Underground Books, Old Soul Coffee House, and the Upper Rooms loft apartments. The Development Company is currently working on several renovation projects and the opening of a new restaurant in 2017.
