Hello St. HOPE Families,

This morning around 10:30am Sac PD arrived to our Sacramento Charter High School Campus and informed us they were made aware of a potential threat involving our campus. They remained on our campus for the duration of the school day completing an investigation and providing additional layers of security. Throughout the entire day we diligently worked with them and ensured we were not interfering with their investigation. Our priority throughout the entire day was to ensure the safety of our entire St. HOPE community and to work in collaboration with Sac PD. Sac PD confirmed that the potential threat was and is **not** credible. Throughout this our school day proceeded as normal.

Thank you for your support and understanding. The safety of our community will always be our number one priority.

Sincerely,
