### >STEM Night<

Sac High will be hosting its first STEM Night on Thursday, February 20th. All students will be able to create their own projects and get help with projects during monthly workshops. If you like Science or Math, want to do research, and compete for prizes then participate in STEM night! For more information, come to our workshop on December 12th at 3:45 in room E33!

## CAREER DAY IS THIS FRIDAY!

This Friday, 12/6, we will be hosting different professionals on campus for Career Day! Scholars will be visiting different classrooms on campus to hear from a variety of speakers in different fields including Law, Medicine, Athletics, Business, Marketing and more. This will be happening during the school day and dismissal will be at its normal time. We're excited for our students to learn about the many opportunities available through college and beyond!

## Holiday Grams

We are selling Holiday Grams! Purchase Holiday Grams for your friends, teachers, or yourself to spread some cheer this holiday season! Grams will be sold at lunch through Thursday, 12/12 and will be delivered on Friday, 12/13.

Senate is holding a service project throughout the month of December to raise money for four children at the Sacramento Children's Home! We are accepting (new) desired items or monetary contributions for the children we're sponsoring. Donations can be brought to the Front Office until Friday, 12/13.
