Dear PS7 Middle Families,

I hope you are doing well and enjoying your summer! We have been busy at work all summer planning and preparing for the start of the school year! We are gearing up for our teachers to return to work next week so that we can spend a couple of weeks planning together to be ready to deliver the very best instruction to all of our scholars! **In addition, we are looking forward to having all of our families back on campus for our 2018-19 Orientations! We have been holding a series of small group orientations for our 6th grade families and will have a whole 6th grade level Meet the Teachers on Monday, August 6th. Our 7th and 8th grade orientations will take place on Thursday, August 2nd.**

In light of some of the organizational shifts, I wanted to take this opportunity to reiterate that there will be no major shifts to the current structure of PS7M for the upcoming school year. I am excited to share that our entire PS7M leadership team is returning for the new year and we are excited to take our program to the next level. Please see below for our leadership structure for the upcoming school year!

Chief of Schools- Kari Wehrly- Manages the school-site leadership teams and works to facilitate alignment among school sites

6-9 Site Leader- Priya Singh- Will run the day-to-day of 6-9 and ensure we have strong culture and smooth operations

Math Dean of Instruction & Culture- Mikki Berthiaume- Will provide oversight and leadership to the math department and teachers for grades 2-9

Humanities Dean of Instruction & Culture- Molly Sangalang- Will provide oversight and leadership to the humanities department and teachers for grades 3-9

Please don't hesitate to reach out if you have any questions! Enjoy the rest of your summer vacation and I'm looking forward to seeing you soon!

Sincerely,
Kari Wehrly
