St. HOPE Public Schools is participating in the Community Eligibility Provision for its meals program during the 2019-20 school year.

This means St. HOPE is able to provide one free breakfast and one free lunch to each enrolled student in attendance during designated meal times each school day as part of the School Breakfast Program and National School Lunch Program.

There is no need for families to apply for this program. Every enrolled student qualifies.

Non-student pricing is \$2.00 for breakfast, and \$3.99 for lunch.

Some menu items may change due to availability of products.

Low-fat milk is served with every breakfast and lunch
