## GOOO DRAGONS!

### Hello Sac High Dragons!

Congratulations on completing our first four weeks of Quarter 4! I hope you are finding yourself in a groove and following a daily schedule and routine that works well for you! In a way it is so nice to have additional flexibility on when to learn and when to complete assignments but it is also a new challenge to be able to manage your time. We only have five full weeks left until the end of the school year! In the midst of this challenging time, please do not lose sight of your big goals. We will eventually be on the other side of this time and I want you all to be proud of the work you have done and the way you continued to prioritize yourself and your education. Please check your grades consistently and communicate frequently with your teachers if you are in need of support. Don't forget to attend Office Hours which are held every Monday, Tuesday and Thursday! Thank you for hard work!

## Virtual Talent Show

Can you sing, dance, juggle, do poetry, cook, draw, play a musical instrument, do a sports skill, or have some other special talent? Show it off at Sac High's Virtual Talent Show on May 21st for a chance to win a \$50 Amazon gift card! You don't have to be the best in the world, you just need to be Sac High's best! Fill out your interest form in the announcements class on Google Classroom and return it by **Friday, May 8th** to be invited to try out. We are looking forward to seeing some fun secret talents from our Dragons!

*A special shout-out to Ayanna Boateng!*

Her announcements have been so great at bringing the Sac High community together and bringing positivity!

Thank you, Ayanna!
