

**OAK PARK PREPARATORY ACADEMY LOTTERY AND ENROLLMENT POLICY
FOR THE 2018-2019 ACADEMIC YEAR**

GENERAL INFORMATION

As a charter school serving grades 7 and 8, Oak Park Preparatory Academy (OPPA or Oak Park Prep) provides all eligible students residing in the state of California the opportunity to apply to a school other than their school of residence. Enrollment at OPPA is determined by an admissions drawing (lottery) and students are admitted as space is available. All students must complete the enrollment process prior to attending. OPPA does not charge tuition nor does it discriminate on the basis of race, color, religion, age, gender, sexual orientation, citizenship, disability, national or ethnic origin, or achievement levels in administration of its admissions policies or education programs.

ADMISSIONS DRAWING (LOTTERY)

Should the number of students who apply to attend OPPA during the open enrollment window exceed the capacity of a particular grade, a public random drawing (“lottery”) will take place to determine admission to Oak Park Prep per Education Code Section 47605(d)(2)(B). During the open enrollment window, all students are required to submit a lottery application to attend Oak Park Preparatory Academy, regardless of their current or previous school of attendance. Existing OPPA students will be exempt from the public random drawing and will be guaranteed admission for the following year, as long as they do not dis-enroll and as long as they attend school within the first three days of the 2018-2019 school year, or have an excused absence communicated ahead of time with OPPA for the first three days or more of the 2018-2019 school year.

LOTTERY APPLICATIONS

Lottery applications are available online (sthope.schoolmint.net) and in paper format, as needed, beginning **Friday, November 17, 2017**, which is the first day of the open enrollment window. Lottery Applications must be completed by **April 5, 2018**, which is the last day of the open enrollment period. Lottery applications must be completed by the family in full by 11:59 P.M. on the last date of open enrollment to be considered for selection in the lottery. SUBMISSION OF A LOTTERY APPLICATION DOES NOT GUARANTEE ENROLLMENT.

LOTTERY PRIORITIES*

In the event that the number of students applying during the open enrollment window to attend OPPA exceeds capacity in the respective grade level, admissions lottery priorities will be given in the following order:

1. Siblings (defined as sharing at least one biological, foster, or adoptive parent) of currently enrolled or admitted Oak Park Preparatory Academy student(s).
2. Children of St. HOPE Public Schools (SHPS) employee(s) and SHPS board member(s) (this preference is limited to 10% of the total school enrollment).
3. Students placed on the active Oak Park Preparatory Academy wait-list for the 2017-2018 school year (applies to 8th graders only).
4. Students who reside within the boundaries of the Sacramento City Unified School District (“in-district students”) are granted 3-to-1 weight factor in the lottery to differentiate them from students residing outside of Sacramento City Unified School District (“out-of-district students”).
5. All other students residing within the State of California.

Students previously enrolled at Oak Park Preparatory Academy will **not** be awarded special circumstance or priority within the lottery. Students currently enrolled at St. HOPE Public School 7 will **not** receive priority if applying to Oak Park Prep.

All priorities are subject to verification and proof may be requested to further validate a priority.

LOTTERY RESULTS AND ENROLLMENT

The official 2018-2019 St. HOPE Public Schools Lottery will be held on **April 12, 2018 at 5:30 p.m. on the Sac High campus**. Attendance at the Lottery is not required, but is strongly advised. Families will be notified of their status after the lottery on **Thursday, April 12, 2018**.

Students will be admitted according to their numerical ranking as selected in the lottery until capacity is reached in ascending grade level order, beginning with Seventh Grade. Offers of admission are submitted to families via the contact information provided on the application. Thus, it is critical that families supply the SHPS Admissions Office with the most current contact information. **Lottery applications found to have falsified information on them for the purpose of gaining an advantage in the lottery will result in the withdrawal of the offer of admission.**

Once families are offered admission following the lottery, they have until **Sunday, May 20, 2018 at 11:59 p.m.** to complete the registration process. To complete the enrollment process, applicants need to complete the official online Oak Park Preparatory Academy registration, and submit all required documents as requested. All students and families are required to complete the official 2018-2019 Oak Park Preparatory Academy registration and submit all required documentation regardless of present or previous school of attendance. **The offer of admission will be rescinded if the family fails to complete the enrollment process by the deadline.**

Those applicants not admitted in the lottery will be placed at the end of the wait list based on their numerical ranking. Students will be admitted to OPPA from the wait list based on their numerical ranking and will only be admitted as space becomes available.

ENROLLMENT BEGINNING APRIL 6, 2018

Students who apply to Oak Park Preparatory Academy after the open enrollment period ends and through June 30, 2018, will be placed at the end of the wait-list in the order by which their completed post lottery application is received. The only admission priorities that will be considered for students who apply on or after April 6th and through June 30th are for siblings, as defined earlier in this policy, and for children of St. HOPE Public Schools employee(s) and SHPS board member(s), subject to the same limitations identified in the listing of admissions preferences. To be placed on the wait-list, families must submit an application, which is available online at sthope.schoolmint.net. Students previously enrolled at OPPA or PS7 will not be awarded priority regarding placement on the wait list or immediate enrollment.

ENROLLMENT BEGINNING JULY 1, 2018 THROUGH THE FRIDAY PRIOR TO THE FIRST DAY OF SCHOOL IN 2018-2019.

Students who apply to Oak Park Prep after June 30, 2018, will be placed at the end of the wait-list in the order by which their completed post lottery application is received. The only admissions' priority that will be considered for students who apply on or after July 1, 2018 is for children of St. HOPE Public Schools

If you have any questions regarding the information written in this policy, contact the St. HOPE Public Schools Admissions Office at (916) 649-7910 or admissions@sthopepublicschools.org.

employee(s) and SHPS board member(s), subject to the same limitations identified in the listing of admissions preferences.

ATTENDANCE AND DISENROLLMENT BEGINNING THE FIRST DAY OF SCHOOL

All students, new and returning, who enroll in another school or who do not show up to school within the first three days of the 2018-2019 school year, without an excused absence and prior communication with Oak Park Prep, will be automatically dis-enrolled from OPPA. Any student who dis-enrolls or is dis-enrolled from OPPA will have to re-apply and will receive the same consideration as any other new student.

WAIT LIST

The wait list will be kept on file in the SHPS Admissions Office and will be valid for the duration of the school year. If a seat becomes available during the school year, that seat will be offered to the next student on the wait list. The last day to be added to the wait list for the 2018-2019 school year is **Wednesday, October 31, 2018 and students must have their application complete by 11:59 p.m. on this day.**

Students placed on the wait list at the lottery placement will be eligible for the sibling priority. As siblings receive enrollment opportunities, remaining siblings will receive the priority, as stated in the priorities section of this policy, contingent the sibling's application remains active.

Families of students admitted from the wait list will have **4** full business days starting the day after the offer of enrollment to complete the enrollment process. Applicants will be moved to the end of the wait list if the family fails to complete the enrollment process by the end of the **4th** full business day.

St. HOPE Public Schools is not required to open enrollment for any particular grade level or any particular term during the year. If an enrollment opportunity becomes available, students are admitted according to their numerical ranking on the wait list.

REQUIRED DOCUMENTATION TO COMPLETE ENROLLMENT

1. Student demographic information
2. Proof of age (and grade) appropriate immunizations
3. Home Language Survey
4. Completion of Emergency Medical Information Form
5. Proof of minimum age requirements, e.g. birth certificate
6. Identification for parent/guardian registering the student
7. Release of records

APPLICATIONS TO PS7 AND OAK PARK PREPATORY ACADEMY

Families have the choice to apply to either or both Public School 7 and Oak Park Preparatory Academy. At the lottery, if students are accepted into both schools, families have the preference to choose their desired school. Families that apply to either or both schools after the lottery will be placed on the wait list and offered a spot based on the each school's enrollment policies.

If you have any questions regarding the information written in this policy, contact the St. HOPE Public Schools Admissions Office at (916) 649-7910 or admissions@sthopepublicschools.org.
