REQUEST FOR INFORMATION

Q: I am working on your RFP and I noticed a clerical error. On your Section A Vendor Responses it shows two line items with the same SKU JL086A. Can you please provide the correct SKU's if this is in error?

A: The clerical error has been corrected and the SKU's are as follows. Please note, the product descriptions and request are correct and remain unchanged.

HPE Aruba, or equivalent	JL087A, or equivalent	Aruba X372 54VDC 1050W Power Supply	3
HPE Aruba, or equivalent	JL083A, or equivalent	Aruba 3810M/2930M 4SFP+ <u>MACsec</u> Module	3

Q: Provide the switch distribution per site, the 470 requested 3 switches and we have 4 different school buildings listed.

A: Per the RFP, all the switches will be installed at St Hope Public School 7 Middle 2315 34th St., Sacramento, CA 95817

Q: Please confirm the following assumptions:

- A project manager is required.
- Single cutover.
- Day 1 support.
- [Vendor] will be required to develop the configuration of the equipment on site.
- St Hope Public Schools will provide all equipment necessary to perform the equipment racking.
- St Hope will provide access to site(s) as appropriate.
- NO Demark Extension is required.
- AC power sockets available: Power for Systems Engineers’ laptops etc.
- Appropriate work Environment: Work space for one Systems Engineer, including a table and chair.

- Provide a primary and secondary customer contact information: name – title – phone – email.

A: All assumptions are true except that configuration of the equipment can occur offsite prior to being shipped to the school site. All pertinent contact information is listed in the RFP.
